SUBJECT INDEX

In general, subject headings are based on the National Library of Medicine's Medical Subject Headings (MeSH). A few additional headings are used for greater specificity in the psychiatric field.

Academic medical centers
Reengineering clinical psychiatry in academic medical centers: processes and models of change, Jan 63–67. Also see Multiple strategies of change (letter), July 975
A survival strategy for an academic psychiatry department in a managed care environment, Dec 1654–1655

Access to health care
Access to network clinicians in a managed behavioral health organization (datapoints), Nov 1428
Behavioral health services under Medicaid managed care: the uncertain implications of state variation (state health care reform), Apr 447–450
Factors associated with use of mental health services for depression by children and adolescents, Feb 189–195
The impact of withdrawals by Medicaid managed care plans on behavioral health services (state health care reform), May 600–602
A national survey of care for persons with co-occurring mental and substance use disorders, Aug 1062–1068
NMHA survey reveals barriers to diagnosis and treatment, July 986
The relationship between treatment access and spending in a managed behavioral health organization, July 949–952
Senate mental health parity bill introduced to close loopholes in 1996 legislation, May 700
Suicide and access to care (datapoints), Dec 1566
Surgeon General's report shows disparities in mental health care among racial and ethnic groups, Oct 1407–1408
Use of psychiatric emergency services and enrollment status in a public managed mental health care plan, Nov 1494–1501

Acquired immune deficiency syndrome (AIDS). See HIV-AIDS

Activities of daily living. See Social and living skills

Adolescents. See Child psychiatry, adolescent psychiatry; and Children, adolescents

Advance directives
Suicidal ideation and advance directives (letter), Feb 241–242

Aggression. See Violence, aggression

Alcohol-related disorders, treatment. Also see Comorbidity; and Substance-related disorders
A model for predicting alcohol withdrawal delirium, June 820–823
NIAAA report to Congress summarizes recent research on alcohol and health, Jan 119–120

Alternative medicine
Comparative use of biomedical services and traditional healing options by American Indian veterans, Jan 68–74

Ambulatory care. See Outpatient treatment

American Psychiatric Association. Also see American Psychiatric Association achievement awards
American Psychiatric Foundation launches disaster services fund, Nov 1545–1546
APA offers new member benefit: free subscription to Psychiatric Services, May 700
APA to issue new practice guideline on treating patients with borderline personality disorder, Sept 1267
Highlights of the 2000 Institute on Psychiatric Services, Jan 37–42
New rules set national uniform standard for protecting privacy of medical records, Feb 251
Paul Appelbaum is chosen APA president-elect; Richard Harding to succeed Daniel Borenstein as APA president, Apr 546
Preliminary program for the 2001 Institute on Psychiatric Services, June 749–764
Psychiatrists, congresswoman, and nonprofit organization receive distinguished service awards at APA annual meeting, June 852–854

American Psychiatric Association achievement awards
Gold award: A community-based program providing a successful alternative to acute psychiatric hospitalization, Oct 1383–1385
Gold award: Helping mentally ill people break the cycle of jail and homelessness, Oct 1380–1382
Significant achievement award: An integrated program of culture-sensitive health care for refugees and immigrants, Oct 1387–1389
Significant achievement award: Providing flexible, individualized services to the underserved, Oct 1386–1387
Significant achievement award: A unique approach to mental health care for young children, Oct 1389–1390

Antidepressive agents
Can recovery from depression be achieved? Nov 1469–1478
Considerations in choosing an antidepressant (psychopharmacology), Nov 1435–1436
Factors associated with use of mental health services for depression by children and adolescents, Feb 189–195
Lessons learned from trends in psychotropic drug expenditures in a Canadian province, Sept 1245–1247

Antipsychotic agents
Antipsychotic dosing patterns for schizophrenia in three treatment settings, Jan 96–98
Cardiac effects of antipsychotic medications (psychopharmacology), May 607–609. Also see Arrhythmia and antipsychotic medications (letter, reply), Sept 1257–1258
Characteristics and service use patterns of nonelderly Medicare beneficiaries with schizophrenia, Dec 1644–1650
The clozapine access project (frontline reports), Jan 108
Clozapine therapy for a patient with a history of Hodgkin's disease (letter), Jan 110–111
Comparison of discharge rates and drug costs for patients with schizophrenia treated with risperidone or olanzapine, May 676–678. Also see Conclusions about risperidone (letter, reply), Nov 1534–1535
Delays in adopting evidence-based dosages of conventional antipsychotics, Sept 1242–1244
Effects of clozapine, olanzapine, risperidone, and haloperidol on hostility among patients with schizophrenia, Nov 1510–1514
Lessons learned from trends in psychotropic drug expenditures in a Canadian province, Sept 1245–1247
A program for treating olanzapine-related weight gain, July 967–969
Refill patterns of atypical and conventional antipsychotic medications at a national retail pharmacy chain, Sept 1248–1250
Six-month outcomes for patients who switched to olanzapine treatment, Apr 501–507
Trimethoprim-sulfamethoxazole and clozapine (letter), Jan 111–112
Variations in prescribing practices for novel antipsychotic medications among Veterans Affairs hospitals, Nov 1523–1525

Appointments and schedules
Best practice for managing noncompliance with psychiatric appointments in community-based care (best practices), Nov 1443–1445
Factors associated with noncompliance with psychiatric outpatient visits, Mar 378–380

Anxiety disorders. Also see Obsessive-compulsive disorder; and Stress disor-

ders, posttraumatic
An eight-year longitudinal comparison of clinical course and characteristics of social phobia among men and women, May 637–643
Impact of panic attacks on rehabilitation and quality of life among persons with severe psychotic disorders, July 920–924
Internet addiction disorder among clients of a virtual clinic (letter), Oct 1397
Panic disorder (consumer & family information), Mar 271
Smoking and panic disorder (letter), Aug 1105–1106
Variables associated with disparities in treatment of patients with schizophrenia and comorbid mood and anxiety disorders, Sept 1216–1222

Assaults. See Violence, aggression

Attitude. Also see Stigma
Familiarity with and social distance from people who have serious mental illness, July 953–958
A multicenter Italian study of patients' relatives' beliefs about schizophrenia, Nov 1528–1530

Bipolar disorder
Adverse effects of perceived stigma on social adaptation of persons diagnosed with bipolar affective disorder, Dec 1627–1632
Bipolar disorder (consumer & family information), Jan 17
Bipolar II disorder: symptoms, course, and response to treatment, Mar 358–361
Color within the lines . . . think outside the box (personal accounts), June 769–770
Highlights of the 2000 Institute on Psychiatric Services, Jan 37–42
Strategies to reduce misdiagnosis of bipolar depression, Jan 51–55. Also see Potential overdiagnosis of bipolar disorder (letter, reply), May 687–688

Book reviews. See Reviews, books

Borderline personality disorder
APA to issue new practice guideline on treating patients with borderline personality disorder, Sept 1267
Borderline personality disorder (consumer & family information), Dec 1569–1570
Borderline personality disorder: the importance of establishing a treatment framework (practical psychotherapy), Feb 167–168
Color within the lines . . . think outside the box (personal accounts), June 769–770
An intensive outpatient program for patients with borderline personality disorder, Apr 532–533

Business information for readers
Jan 8, Feb 134, Mar 266, Apr 414, May 562, June 716, July 868, Aug 1000, Sept 1134, Oct 1282, Nov 1422, Dec 1560

Calendar
Jan 18,36, Feb 144,154, Mar 286,298, Apr 430,452, May 584,610, June 728,746, July 878,900, Aug 1010,1032, Sept 1160,1172, Oct 1292,1406, Nov 1426, 1451, Dec 1581–1582

Caregivers. See Family

Case management, community based
Case management and assertive community treatment in Europe, May 631–636
The case of Sam: multidisciplinary perspectives, Oct 1318–1330
Highlights of the 2000 Institute on Psychiatric Services, Jan 37–42
Moving assertive community treatment into standard practice, June 771–779. Also see A critique of the effectiveness of assertive community treatment (letter, replies), Oct 1394–1397
Six-month outcomes for patients who switched to olanzapine treatment, Apr 501–507

Child abuse. Also see Sexual abuse
Emergency assessments of domestic violence, sexual dangerousness, and elder and child abuse (emergency psychiatry), Mar 281–282,306
Insight into mental illness and child maltreatment risk among mothers with major psychiatric disorders, Apr 488–492

Child psychiatry, adolescent psychiatry. Also see Children, adolescents
Adolescent substance abuse treatment: where do we go from here? (alcohol & drug abuse), Feb 147–149
Clinical characteristics of youths with substance use problems and implications for residential treatment, June 793–799
Collaboration among the education, mental health, and public health systems to promote youth mental health, Oct 1348–1351
Consumer satisfaction at a child and adolescent state psychiatric hospital, Feb 202–206
Evidence-based practice in child and adolescent mental health services, Sept 1179–1189
Factors associated with use of mental health services for depression by children and adolescents, Feb 189–195
Managed care and children's behavioral health services in Massachusetts, Feb 183–188
Prescription of psychotropic medications to youths in office-based practice, Aug 1081–1087
Psychotropic medication costs among youth with private insurance in 1998 (datapoints), Feb 152
Responses of children with different intake profiles to mental health treatment, Feb 196–201
Shifting resources to the community: closing the Illinois state psychiatric hospital for adolescents in Chicago (state mental health policy), Sept 1157–1159
Significant achievement award: A unique approach to mental health care for young children, Oct 1389–1390
Use of the Pediatric Symptom Checklist in strategies to improve preventive behavioral health care, June 800–804
Use of visual evoked-potential studies and EEG data to classify aggressive, explosive behavior of youths, Jan 81–86

Children, adolescents. Also see Child abuse; and Child psychiatry, adolescent psychiatry
2000 household survey on drug abuse finds little change in illicit drug use by adults and youth, Nov 1545
The August Aichhorn Center for Adolescent Residential Care (frontline reports), Oct 1391–1392
BART's place for children and teenagers of parents with serious mental illness (frontline reports), Jan 107
Mental health parity for children in California (state health care reform), June 743–745,768
Reliability of the Services Assessment for Children and Adolescents, Aug 1088–1094
Youth violence: a report of the Surgeon General, Mar 399

Chronic patients
The case of Sam: multidisciplinary perspectives, Oct 1318–1330
Consumer-run service participation, recovery of social functioning, and the mediating role of psychological factors, Apr 493–500
Converting day treatment centers to supported employment programs in Rhode Island, Mar 351–357
Correlates of long-term unemployment among inner-city adults with serious and persistent mental illness, Jan 101–103
A critique of the effectiveness of assertive community treatment (letter, replies), Oct 1394–1397
Developing effective treatments for posttraumatic disorders among people with severe mental illness, Nov 1453–1461
Electroconvulsive therapy in rehabilitation: the Hong Kong experience (rehab rounds), Mar 303–306
Holocaust survivors' home (frontline reports), Oct 1391
Housing attributes and serious mental illness: implications for research and practice, Oct 1309–1317
Implementing dual diagnosis services for clients with severe mental illness, Apr 469–476
Long-stay patients in state psychiatric hospitals at the end of the 20th century, Aug 1051–1056
Mandated community treatment: beyond outpatient commitment, Sept 1198–1205
The prevalence of religious coping among

persons with persistent mental illness, May 660–665
A psychiatric primary care clinic for chronically ill veterans (frontline reports), Apr 536
Significant achievement award: Providing flexible, individualized services to the underserved, Oct 1386–1387
Some perspectives on deinstitutionalization, Aug 1039–1045
Strategies for disseminating evidence-based practices to staff who treat people with serious mental illness, Dec 1598–1606
The time course of treatment costs among patients with severe mental illness (datapoints), Jan 21
Validity of self-reports about quality of life among patients with schizophrenia, Apr 534–535
Vocational outcomes among formerly homeless persons with severe mental illness in the ACCESS program, Aug 1075–1080
What is recovery? A conceptual model and explication, Apr 482–485. Also see What is recovery? A commentary, Apr 486–487; and A conceptual model of recovery (letter, reply), May 688–689

Clozapine
The clozapine access project (frontline reports), Jan 108
Clozapine therapy for a patient with a history of Hodgkin's disease (letter), Jan 110–111
Effects of clozapine, olanzapine, risperidone, and haloperidol on hostility among patients with schizophrenia, Nov 1510–1514
Refill patterns of atypical and conventional antipsychotic medications at a national retail pharmacy chain, Sept 1248–1250
Subspecialty training in schizophrenia (letter), Feb 240
Trimethoprim-sulfamethoxazole and clozapine (letter), Jan 111–112

Cocaine
A preliminary investigation of cocaine craving among persons with and without schizophrenia (alcohol & drug abuse), Aug 1029–1031

Cognitive-behavioral therapy
Outcomes of a cognitive-behavioral day treatment program for a heterogeneous patient group, July 970–972

Cognitive therapy
An integrated psychological treatment program for schizophrenia (rehab rounds), Sept 1165–1167

Commitment of mentally ill
Assessing the New York City involuntary outpatient commitment pilot program, Mar 330–336. Also see Assessing the New York City involuntary outpatient treatment program (letter, reply), Nov 1533–1534
Confusion about outpatient commitment (letter, reply), Aug 1103–1104
Factors in the use of coercive retention in civil commitment evaluations in psychiatric emergency services, Apr 514–520
Mandated community treatment: beyond outpatient commitment, Sept 1198–1205
Opening Pandora's box: the practical and legal dangers of involuntary outpatient commitment, Mar 342–346
Outpatient commitment: what, why, and for whom, Mar 337–341
A randomized controlled trial of outpatient commitment in North Carolina, Mar 325–329
Schizophrenia is not contagious (open forum), Mar 384
Special section on involuntary outpatient commitment: introduction, Mar 323–324. Also see Confusion about outpatient commitment (letter, reply), Aug 1103–1104
A survey of use of a durable power of attorney to admit geropsychiatric patients, Jan 98–100
Thinking carefully about outpatient commitment, Mar 347–350
You must read this (taking issue), Mar 265

Community mental health centers, services
Assessing the impact of community-based mobile crisis services on preventing hospitalization, Feb 223–228
The case of Sam: multidisciplinary perspectives, Oct 1318–1330
A critique of the effectiveness of assertive community treatment (letter, replies), Oct 1394–1397
A cluster analysis of patients with schizophrenia in community care, May 682–684
Gold award: A community-based program providing a successful alternative to acute psychiatric hospitalization, Oct 1383–1385
Implementing family-friendly services (letter, reply), Mar 386–387
Improving mental health referrals between schools and community agencies (letter), Jan 112
Predictors of dissemination of family psychoeducation in community mental health centers in Maine and Illinois, July 935–942
Significant achievement award: An integrated program of culture-sensitive health care for refugees and immigrants, Oct 1387–1389
Significant achievement award: Providing flexible, individualized services to the underserved, Oct 1386–1387

Comorbidity
Clinical characteristics of youths with substance use problems and implications for residential treatment, June 793–799
A comparison of long-term and short-term residential treatment programs for dual diagnosis patients, Apr 526–528
Developing standards of care for individuals with co-occurring psychiatric and substance use disorders (best practices), May 597–599. Also see Substance use and medication treatment (letter, reply), Sept 1255–1256
Implementing dual diagnosis services for clients with severe mental illness, Apr 469–476
Insight and comorbid substance misuse and medication compliance among patients with schizophrenia (psychopharmacology), Feb 161–163,166. Also see Insight and moderating variables (letter), Mar 387–388
Maintaining quality of care in a comprehensive dual diagnosis treatment program, May 673–675
Medicaid beneficiaries with a dual diagnosis: system responsibility and costs of care (datapoints), Sept 1153
A national survey of care for persons with co-occurring mental and substance use disorders, Aug 1062–1068
Variables associated with disparities in treatment of patients with schizophrenia and comorbid mood and anxiety disorders, Sept 1216–1222

Computers, computerized medical records. Also see Internet
Electronic sign-out using a personal digital assistant (clinical computing), Feb 173–174
The role of computer use in different medical specialties, Apr 443
Use of a personal digital assistant in reducing medication error rates (clinical computing), July 883–884,886

Confidentiality
New rules set national uniform standard for protecting privacy of medical records, Feb 251
The treating psychiatrist thrust into the role of expert witness, Nov 1526–1527

Consultants
Primary care physicians' experience with mental health consultation, June 838–840

Consumer and family organizations
Integrating evidence-based practices and the recovery model, Nov 1462–1468
NAMI publishes legal manual on protecting rights of consumers in managed care systems, Apr 547
Pilot study of the effectiveness of the Family-to-Family Education Program, July 965–967

Consumer participation
Consumer-run service participation, recovery of social functioning, and the mediating role of psychological factors, Apr 493–500
Integrating evidence-based practices and the recovery model, Nov 1462–1468
Strengthening the consumer voice in managed care: I. can the private sector

meet the public-sector standard? (managed care), Apr 461–462,464
Strengthening the consumer voice in managed care: II. moving NCQA standards from rights to empowerment (managed care), Oct 1303–1305

Consumer satisfaction
A brief scale for assessing patients' satisfaction with care in outpatient psychiatric services, June 816–819
Consumer satisfaction at a child and adolescent state psychiatric hospital, Feb 202–206
Depression and satisfaction with health plans (datapoints), Mar 279
Housing satisfaction and service use by mentally ill persons in community integrated living arrangements, Sept 1206–1209
Patient satisfaction, use of services, and one-year outcomes in publicly funded substance abuse treatment, Sept 1230–1236
Satisfaction of inpatients and outpatients with staff, environment, and other patients, Jan 104–106

Coping
The prevalence of religious coping among persons with persistent mental illness, May 660–665

Costs and cost-analysis. Also see Economics
Adolescent substance abuse treatment: where do we go from here? (alcohol & drug abuse), Feb 147–149
CMHS releases biennial report, Dec 1670
Comparison of discharge rates and drug costs for patients with schizophrenia treated with risperidone or olanzapine, May 676–678. Also see Conclusions about risperidone (letter, reply), Nov 1534–1535

Schizophrenia Wellness Center, Oct 1408
A second medical decade, Mar 399
Young offender initiative, July 987

Nursing homes
Variations in the treatment culture of nursing homes and responses to regulations to reduce drug use, May 666–672

Nutrition
Fish consumption and depressive symptoms in the general population in Finland, Apr 529–531

Obsessive-compulsive disorder
Obsessive-compulsive disorder (consumer & family information), May 577

Olanzapine
Comparison of discharge rates and drug costs for patients with schizophrenia treated with risperidone or olanzapine, May 676–678. Also see Conclusions about risperidone (letter, reply), Nov 1534–1535
Effects of clozapine, olanzapine, risperidone, and haloperidol on hostility among patients with schizophrenia, Nov 1510–1514
A program for treating olanzapine-related weight gain, July 967–969
Six-month outcomes for patients who switched to olanzapine treatment, Apr 501–507

Outcome assessment, treatment outcome
Assessing the impact of community-based mobile crisis services on preventing hospitalization, Feb 223–228
Assessing the New York City involuntary outpatient commitment pilot program, Mar 330–336. Also see Assessing the New York City involuntary outpatient treatment program (letter, reply), Nov 1533–1534
A comparison of long-term and short-term residential treatment programs for dual diagnosis patients, Apr 526–528
Effects of disability compensation on participation in and outcomes of vocational rehabilitation, Nov 1479–1484
An emergency housing program as an alternative to inpatient treatment for persons with severe mental illness, Jan 92–95
Fidelity of supported employment programs and employment outcomes, June 834–836
Housing attributes and serious mental illness: implications for research and practice, Oct 1309–1317
Improving recreational, residential, and vocational outcomes for patients with schizophrenia (rehab rounds), Nov 1439–1441
Outcomes of a cognitive-behavioral day treatment program for a heterogeneous patient group, July 970–972
Outcomes of decreased length of hospital stay among geriatric patients with dementia, Mar 376–378
Patient satisfaction, use of services, and one-year outcomes in publicly funded substance abuse treatment, Sept 1230–1236
Pushing the quality envelope: a new outcomes management system, July 925–934
The relationship between quality and outcomes in routine depression care, Jan 56–62
Relationships between counseling rapport and drug abuse treatment outcomes, Sept 1223–1229
Six-month outcomes for patients who switched to olanzapine treatment, Apr 501–507
Vocational outcomes among formerly homeless persons with severe mental illness in the ACCESS program, Aug 1075–1080

Outpatient treatment
Assessing the New York City involuntary outpatient commitment pilot program, Mar 330–336. Also see Assessing the New York City involuntary outpatient treatment program (letter, reply), Nov 1533–1534
A brief scale for assessing patients' satisfaction with care in outpatient psychiatric services, June 816–819
Confusion about outpatient commitment (letter, reply), Aug 1103–1104
Factors associated with noncompliance with psychiatric outpatient visits, Mar 378–380
An intensive outpatient program for patients with borderline personality disorder, Apr 532–533
Mandated community treatment: beyond outpatient commitment, Sept 1198–1205
NAPHS survey released, Jan 121
Opening Pandora's box: the practical and legal dangers of involuntary outpatient commitment, Mar 342–346
Outpatient commitment: what, why, and for whom, Mar 337–341
Patterns of use of ambulatory mental health services in a universal care setting, Nov 1515–1520
A randomized controlled trial of outpatient commitment in North Carolina, Mar 325–329
Special section on involuntary outpatient commitment: introduction, Mar 323–324. Also see Confusion about outpatient commitment (letter, reply), Aug 1103–1104
Thinking carefully about outpatient commitment, Mar 347–350
Use and costs of ambulatory care services among Medicare enrollees with schizophrenia, June 786–792
You must read this (taking issue), Mar 265

Parenting, parents
BART's place for children and teenagers

of parents with serious mental illness (frontline reports), Jan 107
Insight into mental illness and child maltreatment risk among mothers with major psychiatric disorders, Apr 488–492

Partial hospitalization
The case of Sam: multidisciplinary perspectives, Oct 1318–1330
Converting day treatment centers to supported employment programs in Rhode Island, Mar 351–357
Inpatient and partial hospital care under Medicare (economic grand rounds), Aug 1023–1025
Outcomes of a cognitive-behavioral day treatment program for a heterogeneous patient group, July 970–972

Patient admission, readmission
Assessing predictive factors for extended hospitalization at acute psychiatric admission, Oct 1367–1373
Assessing the New York City involuntary outpatient commitment pilot program, Mar 330–336. Also see Assessing the New York City involuntary outpatient treatment program (letter, reply), Nov 1533–1534
Clinical factors related to admission and release decisions in psychiatric emergency services, Feb 214–218
Factors associated with readmission to a psychiatric facility, Aug 1100–1102
NAPHS survey released, Jan 121
Outpatient commitment: what, why, and for whom, Mar 337–341
A randomized controlled trial of outpatient commitment in North Carolina, Mar 325–329

Patient advocacy
Integrating evidence-based practices and the recovery model, Nov 1462–1468
NAMI publishes legal manual on protecting rights of consumers in managed care systems, Apr 547

Patient care planning
Borderline personality disorder: the importance of establishing a treatment framework (practical psychotherapy), Feb 167–168
A self-assessment program for multidisciplinary mental health teams, Oct 1352–1357

Patient compliance
Assessing the New York City involuntary outpatient commitment pilot program, Mar 330–336. Also see Assessing the New York City involuntary outpatient treatment program (letter, reply), Nov 1533–1534
Best practice for managing noncompliance with psychiatric appointments in community-based care (best practices), Nov 1443–1445
Factors associated with noncompliance with psychiatric outpatient visits, Mar 378–380
Insight and comorbid substance misuse and medication compliance among patients with schizophrenia (psychopharmacology), Feb 161–163,166. Also see Insight and moderating variables (letter), Mar 387–388
Opening Pandora's box: the practical and legal dangers of involuntary outpatient commitment, Mar 342–346
Outpatient commitment: what, why, and for whom, Mar 337–341
Perceived stigma and patient-rated severity of illness as predictors of antidepressant drug adherence, Dec 1615–1620
A randomized controlled trial of outpatient commitment in North Carolina, Mar 325–329
Refill patterns of atypical and conventional antipsychotic medications at a national retail pharmacy chain, Sept 1248–1250
Schizophrenia is not contagious (open forum), Mar 384
Special section on involuntary outpatient commitment: introduction, Mar 323–324. Also see Confusion about outpatient commitment (letter, reply), Aug 1103–1104
Thinking carefully about outpatient commitment, Mar 347–350
Using drug claims data to assess the relationship of medication adherence with hospitalization and costs, June 805–811

Patient discharge
Clinical factors related to admission and release decisions in psychiatric emergency services, Feb 214–218
Comparison of discharge rates and drug costs for patients with schizophrenia treated with risperidone or olanzapine, May 676–678. Also see Conclusions about risperidone (letter, reply), Nov 1534–1535
An emergency housing program as an alternative to inpatient treatment for persons with severe mental illness, Jan 92–95

Patient education
The clozapine access project (frontline reports), Jan 108
Knowledge about HIV transmission and prevention among Italian patients with psychiatric disorders, May 679–681
A prerelease program for mentally ill inmates (frontline reports), Jan 108

People & places
Betty Cochran, assistant managing editor, retires, Jan 119
Jan 121, Feb 253, Apr 548, May 701, July 987, Nov 1546

Personal accounts. Also see Reviews, books, first-person accounts
Color within the lines . . . think outside the box (personal accounts), June 769–770
Four therapists and a client: a personal journey (personal accounts), Feb 165–166

Risk management
Firearms risk management in psychiatric care, Aug 1057–1061

Risperidone
Comparison of discharge rates and drug costs for patients with schizophrenia treated with risperidone or olanzapine, May 676–678. Also see Conclusions about risperidone (letter, reply), Nov 1534–1535
Effects of clozapine, olanzapine, risperidone, and haloperidol on hostility among patients with schizophrenia, Nov 1510–1514

Rural mental health services
Telepsychiatry in a rural inpatient setting (letter), Dec 1659
Unanswered questions about telepsychiatry (letter), May 689–690

Schizophrenia
Antipsychotic dosing patterns for schizophrenia in three treatment settings, Jan 96–98
Autocastration as a presenting sign of incipient schizophrenia (unusual case report), May 685–686. Also see Autocastration and psychosis (letter, reply), Sept 1258
Characteristics and service use patterns of nonelderly Medicare beneficiaries with schizophrenia, Dec 1644–1650
Childhood sexual trauma and psychosocial functioning in adults with schizophrenia, Nov 1485–1488
A cluster analysis of patients with schizophrenia in community care, May 682–684
Comparison of discharge rates and drug costs for patients with schizophrenia treated with risperidone or olanzapine, May 676–678. Also see Conclusions about risperidone (letter, reply), Nov 1534–1535
Diagnosis and treatment of mood disorders that co-occur with schizophrenia, July 911–919
Dissemination of educational classes for families of adults with schizophrenia (rehab rounds), May 589–592
Effects of clozapine, olanzapine, risperidone, and haloperidol on hostility among patients with schizophrenia, Nov 1510–1514
Electroconvulsive therapy in rehabilitation: the Hong Kong experience (rehab rounds), Mar 303–306
Highlights of the 2000 Institute on Psychiatric Services, Jan 37–42
Improving recreational, residential, and vocational outcomes for patients with schizophrenia (rehab rounds), Nov 1439–1441
Insight and comorbid substance misuse and medication compliance among patients with schizophrenia (psychopharmacology), Feb 161–163,166. Also see Insight and moderating variables (letter), Mar 387–388
An integrated psychological treatment program for schizophrenia (rehab rounds), Sept 1165–1167
Misdiagnosis of schizophrenia for a patient with epilepsy (letter), Jan 109
A multicenter Italian study of patients' relatives' beliefs about schizophrenia, Nov 1528–1530
The paradox of command hallucinations (letter, reply), Mar 385–386
A preliminary investigation of cocaine craving among persons with and without schizophrenia (alcohol & drug abuse), Aug 1029–1031
Recovery and realism (letter, reply), Feb 242
Risks for individuals with schizophrenia who are living in the community, Oct 1358–1366
Risks in the community for persons with schizophrenia (taking issue), Oct 1281
Schizophrenia (consumer & family information), July 879
Schizophrenia is not contagious (open forum), Mar 384
Strengths versus deficits, or musician versus schizophrenic (personal accounts), Oct 1306–1307
Subspecialty training in schizophrenia (letter), Feb 240
Training in social problem solving among persons with schizophrenia (rehab rounds), Jan 31–33
Use and costs of ambulatory care services among Medicare enrollees with schizophrenia, June 786–792
Validity of self-reports about quality of life among patients with schizophrenia, Apr 534–535
Variables associated with disparities in treatment of patients with schizophrenia and comorbid mood and anxiety disorders, Sept 1216–1222
Variations in prescribing practices for novel antipsychotic medications among Veterans Affairs hospitals, Nov 1523–1525

Schools
Collaboration among the education, mental health, and public health systems to promote youth mental health, Oct 1348–1351
Improving mental health referrals between schools and community agencies (letter), Jan 112
Significant achievement award: A unique approach to mental health care for young children, Oct 1389–1390

Seclusion. See Restraints and seclusion

Self-help groups
Managed care: recovery enhancer or inhibitor? (managed care), Jan 25–26

Self-mutilation
Autocastration as a presenting sign of incipient schizophrenia (unusual case report), May 685–686. Also see Autocastration and psychosis (letter, reply), Sept 1258

Serotonin agents
Can recovery from depression be achieved? Nov 1469–1478
Considerations in choosing an antidepressant (psychopharmacology), Nov 1435–1436
Fluvoxamine and aggression in mental retardation (letter), Aug 1105

Service utilization. See Utilization of services

Sex factors. Also see Women's health
An eight-year longitudinal comparison of clinical course and characteristics of social phobia among men and women, May 637–643
Problematic substance use, depressive symptoms, and gender in primary care, Sept 1251–1253

Sex offenses
Emergency assessments of domestic violence, sexual dangerousness, and elder and child abuse (emergency psychiatry), Mar 281–282,306
Emergency interventions for rape victims (emergency psychiatry), June 733–734, 740

Sexual abuse
Childhood sexual trauma and psychosocial functioning in adults with schizophrenia, Nov 1485–1488
Emergency assessments of domestic violence, sexual dangerousness, and elder and child abuse (emergency psychiatry), Mar 281–282,306
Substance abuse as a symptom of childhood sexual abuse, Nov 1530–1532

Sexuality
Men's sexual health after midlife (practical geriatrics), Mar 291–293,306
Surgeon General issues call to promote sexual health and responsible behavior, Aug 1116–1117

Sleep disorders
Insomnia in late life (practical geriatrics), Dec 1573–1575

Smoking
Smoking and panic disorder (letter), Aug 1105–1106

Social and living skills
Consumer-run service participation, recovery of social functioning, and the mediating role of psychological factors, Apr 493–500
An integrated psychological treatment program for schizophrenia (rehab rounds), Sept 1165–1167
Social skills training to help mentally ill persons find and keep a job (rehab rounds), July 891–894
Strengths versus deficits, or musician versus schizophrenic (personal accounts), Oct 1306–1307
Training in social problem solving among persons with schizophrenia (rehab rounds), Jan 31–33

Social Security
Changes in mental health and service use after termination of SSI benefits, Sept 1210–1215

Suicide and access to care (datapoints), Dec 1566
Suicide and gun control (taking issue), Aug 999
Surgeon General releases first installment of a national strategy for suicide prevention, July 985

Telemedicine

Telepsychiatry in a rural inpatient setting (letter), Dec 1659
Unanswered questions about telepsychiatry (letter), May 689–690

This month's highlights

Jan 13, Feb 139, Mar 269, Apr 419, May 573, June 725, July 877, Aug 1009, Sept 1143, Oct 1285, Nov 1425, Dec 1563

Trauma. Also see Stress disorders, posttraumatic

Childhood sexual trauma and psychosocial functioning in adults with schizophrenia, Nov 1485–1488
Coping with a national tragedy (consumer & family information), Nov 1427
Developing effective treatments for posttraumatic disorders among people with severe mental illness, Nov 1453–1461
Highlights of the 2000 Institute on Psychiatric Services, Jan 37–42
HIV risk behaviors and their relationship to posttraumatic stress disorder among women prisoners, Apr 508–513
Improving public mental health services for trauma victims in South Carolina, June 812–814. Also see Who needs trauma initiatives? (commentary), June 815, and Who needs trauma initiatives? South Carolina! (letter), Aug 1104–1105
New York State Office of Mental Health trauma initiative (frontline reports), Oct 1392–1393
A review of psychological debriefing after extreme stress, June 824–827
Roles of psychiatrists on multidisciplinary mental health disaster teams (frontline reports), Apr 536–537
Trauma, symptoms of posttraumatic stress disorder, and associated problems among incarcerated veterans, July 959–964
Who needs trauma initiatives? June 815
Work disability after major mental illness and trauma (taking issue), Nov 1421

Treatment planning. See Patient care planning

Utilization of services

Changes in mental health and service use after termination of SSI benefits, Sept 1210–1215
Characteristics and service use patterns of nonelderly Medicare beneficiaries with schizophrenia, Dec 1644–1650
Comparative use of biomedical services and traditional healing options by American Indian veterans, Jan 68–74
Factors associated with use of mental health services for depression by children and adolescents, Feb 189–195
Housing satisfaction and service use by mentally ill persons in community integrated living arrangements, Sept 1206–1209
Patient satisfaction, use of services, and one-year outcomes in publicly funded substance abuse treatment, Sept 1230–1236
Patterns of use of ambulatory mental health services in a universal care setting, Nov 1515–1520
Psychiatric disorders and their management in general practice (letter), Mar 388–389
A psychiatric primary care clinic for chronically ill veterans (frontline reports), Apr 536
Reliability of the Services Assessment for Children and Adolescents, Aug 1088–1094
Use and costs of ambulatory care services among Medicare enrollees with schizophrenia, June 786–792
Variations in utilization and cost of inpatient psychiatric services among adults in Maryland, June 841–843

Utilization review

Reviewing the reviewers (taking issue), Feb 133

Veterans, veterans' health care

Comparative use of biomedical services and traditional healing options by American Indian veterans, Jan 68–74
Delays in adopting evidence-based dosages of conventional antipsychotics, Sept 1242–1244
Mental health services for older veterans in the VA system (practical geriatrics), June 765–768
Outcomes of decreased length of hospital stay among geriatric patients with dementia, Mar 376–378
A psychiatric primary care clinic for chronically ill veterans (frontline reports), Apr 536
Relationship between staffing ratios and effectiveness of inpatient psychiatric units, Oct 1374–1379
Screening for mental illness in a Veterans Affairs women's health clinic, Nov 1521–1522
Trauma, symptoms of posttraumatic stress disorder, and associated problems among incarcerated veterans, July 959–964
Variations in prescribing practices for novel antipsychotic medications among Veterans Affairs hospitals, Nov 1523–1525

Violence, aggression

Assessing the New York City involuntary outpatient commitment pilot program, Mar 330–336. Also see Assessing the New York City involuntary outpatient treatment program (letter, reply), Nov 1533–1534

Effects of clozapine, olanzapine, risperidone, and haloperidol on hostility among patients with schizophrenia, Nov 1510–1514
Emergency assessments of domestic violence, sexual dangerousness, and elder and child abuse (emergency psychiatry), Mar 281–282,306
Firearms risk management in psychiatric care, Aug 1057–1061
Fluvoxamine and aggression in mental retardation (letter), Aug 1105
